

## COURT USAGE and LIGHTS ACCOUNT 2024

### WHAT IS IT?

Good standing members will have a Court Usage Account ("Lights Account") on the Club Management System. Any time you book a court and play, the court fee is automatically deducted from your Lights Account. You can only utilise the courts if there is a sufficient credit balance on your Lights Account.

### YOU ONLY PAY WHEN YOU PLAY!

It is important to understand that your Lights Account will only be debited after you have played.

### HOW DOES IT WORK?

When you join, R100 credit is included in your joining fee. Thereafter, you must decide an appropriate credit balance for your Lights Account and make a pre-payment through three mechanisms:

1. **Go Book:** Make a direct payment into your Account via Go Book for immediate credit.
2. **EFT:** Email POP to [info@uitsigsquashclub.co.za](mailto:info@uitsigsquashclub.co.za). Allow 2 working days for your account to be loaded.
3. **Kiosk:** During kiosk operating hours (Cash / Card / Snapscan). Account will be loaded immediately.

### WHAT SHOULD MY COURT USAGE ACCOUNT BALANCE BE?

Your recommended credit balance depends on how often you play. The more you play, the higher your credit limit must be. The cost is **R11,50 per session per player**.

The table below shows the **monthly** cost of typical playing frequencies to help you choose your credit limit.

1. Decide how many times a week you will play (pick a column).
2. Lookup in the monthly amount in table (where the column and the row intersect).
3. The below table is based on per player **sharing costs** with another player (double cost if not sharing)

Sessions / Week	1	2	3	4
Cost per Week	R11,50	R23,00	R34,50	R46,00
Cost per Month (+-)	R50,00	R100,00	R150,00	R200,00

**This does not account for guest fees, penalties or that extra game.**

### PENALTIES IF I DON'T USE MY COURT BOOKING

If you cancel a booking during peak booking times and more than an hour before the time slot, there is a **R2 cancellation fee**. This applies to peak periods only (Mon to Thur 16h30 to 19h30)

You cannot cancel a court within 1 hour of the booking; and it will be considered a No-Show.

You need to confirm your booking within 10 minutes from time booked. If not, you will forfeit the booking and a No-Show penalty applies. Another member can then book and play in that that time slot.

#### A No Show penalty fee per session is

- **R25,00 + Lights during peak periods (Mon to Thu 16h30 to 19h30) and**
- **R5,00 + Lights during off-peak. This is automatically deducted from your Lights Account.**

### USE OF CORRECT EQUIPMENT

Only official, non-marking or gum soled squash shoes are allowed. No black soles or any other form of shoe is permissible. It is also the responsibility of all players to ensure that any equipment used will not harm or damage any other member or club facilities e.g., old flaky grips.

Any members / visitors associated with a member found with incorrect shoes or equipment that may cause damage, they will be asked to vacate the court immediately and the member may be subject to a R1,500 fine and a 1-month suspension from any participation at the club.
